AGENTA Workshop

“Modelling the sustainability of the welfare state using Overlapping Generations Models”

Barcelona (SPAIN), 09 June 2015

The research network on Economics and Public Policies XREPP (www.xrepp.cat) on behalf of the AGENTA project is pleased to announce this Workshop

The keynote speaker will be Alexander Ludwig from Research Center SAFE, Goethe University

The workshop will mainly focus on large scale OLG models modelling welfare state transfers. In particular, models capturing the interaction of the demographic, labour market and educational transition are welcome.

Abstracts can be sent to (elisenda.renteria@ub.edu) Please write “OLG Workshop” in the subject field in your email.

Submission deadline: 25th March 2015. Submissions should include either a full paper or an extended abstract with the main results.

Confirmation of acceptance will be sent by the 1st of April 2015 at the latest.

There is no participation fee but participants should cover their travel and accommodation expenses.

Venue: Facultat d’Economia i Empresa, Av Diagonal 690, 08034 Barcelona
